Introduction

We are organising this run as part of the 23rd anniversary celebrations for the Ardingly Vintage and Classic Vehicle Show. We will be meeting in the White Hart P.H. West Hoathley. Toilet facilities and bacon butties will be available from 09.30am

This year we are planning a single run which will not have any width or weight restrictions. However, we are unable to accommodate any large vehicles at the start point and would suggest that we limit the size to vehicles with a gross weight of 16 tons or less. If you wish to join us with a larger vehicle, please contact the organiser so we can arrange for you to join further along the route.

The route this year will be through the Sussex countryside and Surrey Hills. We will have a half way stop at Reigate Hill where toilet facilities are available. The finish point will be the Air Balloon in Horley which does very good value meals and has a Wacky warehouse to entertain the younger children.

If you would like to join us for this run, please complete the form overleaf.

Logistics

All vehicles must be in a road legal condition. It is your responsibility to ensure that your vehicle meets the requirements of the Road Traffic Act.

The organisers chosen charity this year is
